How to use our Allergen datasheet.

Welcome to our allergen datasheet.

These datasheets detail all the dishes we offer and is designed to help you make an informed decision on the food and drink you consume.
At the top of each allergen datasheet we have listed the 14 legislated allergens for your reference. Use the key below to see which allergens are contained within dishes.

The above links include detailed information such as a list of composite ingredients, allergens and their nutritional information for each dish we serve.

Key:

YES	The dish DOES contain this specific allergen
No	This dish DOES NOT contain this specific allergen.
MAY	This means the dish "**May Contain**". This is where an allergen is not part of a recipe or an added ingredient. However, it is where the manufacturer believes that there is a risk of cross-contamination during the manufacturing, handling, transport or storage of foods.
